Laura,

Per our conversation my last day at Mirantis was Monday the 11th. I spoke to Ed Hartman whom I gave me verbal resignation on the 11th. I had a follow up conversation with Marque Teagarden on the 12th in which I severed all ties with Mirantis. To the best of my knowledge I am not on the payroll. The separation was acrimonious and aside from sending my computer back, which will be done today, I have no activities of any sort now or pending for Mirantis.

Best regards,

Pedro
